

# Nokia 6085

## Closer to You

Keep in touch around the world with the softly rounded curves of the quad-band Nokia 6085 fold phone. The large color display makes it easy to see clearly, while the mini cover display with blue LEDs lets you know who's calling. You decide: entertain yourself with the FM radio and music player, or make the most of longer talk times and improved audio quality to keep in touch with family and friends. With expandable memory to store photos, music and more, the Nokia 6085 puts all you need in your pocket.
