

WorkForce Pro WF-C5890DWF
and WF-C5390DW colour printers

Switch to faster, more sustainable printing

Increased productivity, reduced environmental impact

Our small workgroup A4 business printers are ideal for every business environment, delivering a fast First Page Out Time, high-quality output, low power consumption and secure workflow integration.

WF-C5890DWF / WF-C5390DW

Powered by Epson Heat-Free technology, the printers consume far less power than laser equivalents, reducing their environmental impact

10.9 cm colour touch-screen (WF-5890DWF)
6.1 cm colour LCD (WF-C5390DW)

High paper capacity of up to 250 sheets (standard), with the option to add cassettes that allow up to 1,830 sheets

A4 colour multifunction 4-in-one (WF-C5890DWF)
A4 colour (WF-C5390DW)

Fast first page out time of 5.3 seconds in colour / 4.8 seconds in mono from ready

ISO print speed of 25ppm

The WorkForce Pro WF-C5890DWF and WF-C5390DW colour printers deliver ink yield of up to 10,000 pages, and less user intervention means increased productivity

The benefits of Heat-Free printing technology

Save time with consistent high-speed printing

Heat-Free printing technology requires no heat to warm up when it is switched on or awoken from sleep. This means printing starts immediately.

Less power consumption saves energy and money

Heat-Free printing technology uses less power because it does not use heat to warm up. As inkjets have no fuse unit to heat, this results in significantly less energy consumption.

Fewer replacement parts, lower environmental impact

Laser printers typically have more consumables and require periodic replacement of the drum, transfer belt and fuse in many cases. Thanks to Heat-Free printing technology, our inkjet printers use fewer parts that need replacing.

Less intervention increases productivity

The Heat-Free structure of Epson inkjet printers means that there are fewer parts that can fail, which reduces the amount of intervention required.

	WorkForce Pro A4 colour printers	
Model	WF-C5890DWF	WF-C5390DW
Functions	A4 multifunction 4-in-1	A4 single function
First page out print	5.3 Sec Colour / 4.8 Sec Mono	5.3 Sec Colour / 4.8 Sec Mono
Print speed (ISO)	25 ppm Mono / Colour	25 ppm Mono / Colour
