USB-C power adapter for home, office and travel

You don't need to lug your laptop's bulky AC power adapter between home and office anymore. The Manhattan USB-C Power Delivery Laptop Charger works as a second power adapter that you can keep at home or in your traveling/commuting bag. You can also use it as a replacement adapter for your current laptop. It keeps your USB-C laptop, tablet or phone fully charged with fast and reliable power up to 65 W.

Wide compatibility with MacBooks®, Smartphones and more

This USB-C power adapter is compatible with a vast array of USB Type-C devices such as laptops, Chromebooks™, MacBooks® and Ultrabooks™ from Acer®, Apple®, Asus®, Dell®, HP®, Lenovo®, Sony®, Samsung® and more.

Compact and lightweight

All this power comes installed in a pocket-friendly format to make it the ideal travel companion. It is smaller than a standard notebook power adapter, so it easily fits in your bag, briefcase or backpack and takes up minimal space on your desk. The included cable tie also prevents tangling and keeps your cords neatly stored.

Superior safety
