

TX-42

A durable, performance-minded 42" multi-touch display built on the protective NeoV™ Touch Glass for the most demanding interactive applications.

LED 

Featuring LED backlighting and Full HD panel, the TX-42 implemented with advanced optical touch solution offers precise and easy touch navigation. Upgrading to 6-point touch, its compatibility and capability fulfill a wider range of applications. In addition to the versatile connectivity, built-in HeatControl Sensor and programmable scheduler allow various digital signage applications. With the protection of anti-fingerprint NeoV™ Touch Glass, advanced Anti-Burn-in™ technology and robust metal housing, the TX-42 ensures reliable performance in engaging public environments.

- > Incorporates advanced optical touch technology
- > 6-point touch capability for systems with Microsoft® Windows® 7 and 8 support plug and play
- > 2-point touch capability for system with Microsoft® Windows® Vista
- > Single touch point capability for system with Android 4.0+ support plug and play, for systems with Microsoft® Windows® XP, Linux, Mac OS 9 and below support by driver
- > LED-backlit technology with 1920 x 1080 Full HD resolution
- > NeoV™ Touch Glass prevents the screen from fingerprints
- > Anti-Burn-in™ technology
- > AIP technology: PIP/PBP function; 3D Comb Filter / Deinterlace / Noise Reduction
- > EcoSmart Sensor detects ambient lighting condition and automatically adjusts brightness level to reduce power consumption
- > Versatile connectivity (VGA in/out, DVI in/out, HDMI, DisplayPort, BNC in/out, S-Video, Component, Audio in/out)
- > Built-in scheduler allows different scheduled activations
- > Tiling function for easy video wall setup (supports up to 5 x 5, available in non-touch mode)
- > Flexible display orientation: portrait/ landscape
- > HeatControl Sensor prevents the display from overheating
- > RS-232 (in/out) and RJ45 for display control from a remote location
- > VESA standard wall mount
- > Built-in speakers
- > Durable metal housing
- > Rigorous screening of the components for mission-critical 24/7 applications

NeoV™ Touch Glass - The most trusted hard glass protection available. Only on AG Neovo displays

TX-42

Accessories	Supplied Optional	CD ROM (user manual), 15-Pin D-Sub cable, USB cable, power cord, remote control, batteries Stand base (STD-03)

NeoV™ Touch Glass keeps the screen protected and looking new

Advanced optical touch technology for accurate, zero-pressure response multi-touch gestures

Anti-Burn-in™ technology prevents image sticking

Multiple video inputs (VGA, DVI, HDMI, BNC, S-Video, DisplayPort and Component) allow for effortless system integration
