## Webcam Cover

For Laptop/Smartphone/Pad

Art. No.: AA0111

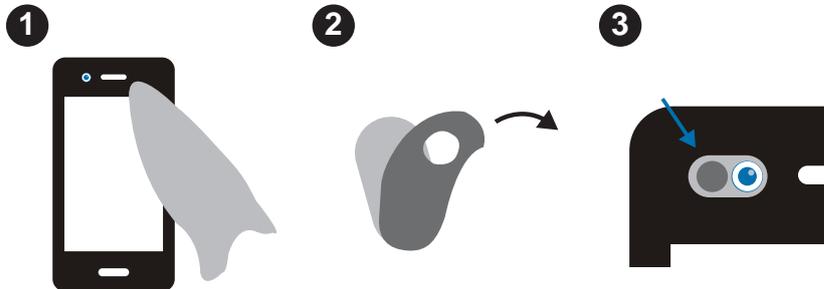

Protect and secure your privacy by covering the camera on your laptop, smartphone or pad, blocking any hackers trying to spy on you!

### Features:

- » Helps to protect you by keeping your webcam covered when not in use
- » Slide open/close with 1 finger
- » The adhesive tape can be easily applied and removed from the required device
- » Fits with most devices: laptop, Macbook, Mac, iPhone, iPad, Android and PC

Open or Close the camera to block anyone spying

### Installation Instruction:

1. Clean your device (Laptop/Phone/Pad)
2. Peel off the tape on the back of the Webcam Cover
3. Apply the Cover to your device. Please mind the position of the flash & sensor

### Package Contents:

- » 3 x Webcam Covers

### Package Informations:

- » Packing Dimension: 100 x 70 x 9mm
- » Packing Weight: 0.01kg
- » Carton Dimension: mm
- » Carton Q'ty: pcs
- » Carton Weight: kg

\*Recommend placing the webcam cover on the front facing camera as this is typically what could be hacked or exposed. This webcam cover will not work on the back camera of phones with camera been raised, and there is no surface to attach to (such as iPhone 6/7).

\* The specifications and pictures are subject to change without notice.  
\*All trade names referenced are the registered network of their respective owners.
