

USB 3.0 up to 5 Gbps

Sandblasted Aluminum Case

FANTEC mobi X2U3-6G

Secure your data on the Fantec mobi X2U3-6G with space for two 2.5" (6.35cm) SATA hard drives & SSDs in one housing. The USB 3.0 SUPERSPEED interface provides rapid data transfer of up to 5Gbps. The UASP Transfer Protocol ensures shorter transmission times. No additional power supply is necessary, as power is supplied via USB 3.0 interface. Due to its quick and easy installation via plug and play, the hard drive case is ready to use within seconds. The sandblasted aluminum case provides a perfect protection for your data in mobile use, as well as great passive cooling for your hard disks.
